- **Memberships:**

- Infectious Diseases and tropical medicine Society
 - European respiratory Society since 2005
 - International Aids Society since 2005
 - IUATLD since 2007
 - ECCMID since 2009
 - **Research Awards**
 - Premier Researcher National of 16th Aboureyhan. Bironi Research Festival, 22, December, 2015.
2. Get the Statue of the Eleventh University Education Festival with the first rank of the University in Rad-2
 3. Statue of the 12th University Education Festival for the valuable services of 2017
 4. selected Researcher National of twelfth aboureyhan bironi research festival in december 17, 2011
 5. selected Researcher National of the twenty-third razi research festival in december 2017

Current Position:

Associate Professor in infectious disease

Clinical Tuberculosis and Epidemiology Research Center, National

Research Institute of Tuberculosis and Lung Disease, (NRITLD), Shahid Beheshti University of Medical Sciences, Tehran, Iran

- **Reviewer of international journal:**
