CURRENT POSITIONS AND APPOINTMENTS

- 2009-present Director of Cancer Registry in Masih Daneshvari Hospital-NRITLD
- 2009-2011 Research & Development .Pars Special Economic Energy Zone (PSEEZ).National Iranian Oil Company Bushehr Province Asaluyeh
- 2007-2009 **Research Consultant in department of Health, Safety and Environment (HSE) in PSEEZ. National Iranian Oil Company Bushehr Province Asaluyeh**
- 2007-present Member ,Tobacco Prevention and Control Research Center . SBUM, Tehran, Iran.
- 2006-present Member ,Toxicological Research Center(TRC) . SBUM, Tehran, Iran.
- 2000-present Faculty Member, National Research Institute of Tuberculosis and Lung Diseases (NRITLD). SBUM, Tehran, Iran.
- 1997-2001 Faculty Member, Endocrine Research Center (ERC), SBUM, Tehran, Iran.
- 1990-1997 Faculty Member, Hormozgan University of Medical Sciences, Bandar Abbas, Iran
- 1980-1990 Medical Laboratory Technologists. Khuzestan Health Center, Khorramshahr, Iran

Education

- 1972-1976 Bsc. in Medical Laboratory Technology, Shiraz University of Medical Sciences, Shiraz, Iran
- 1976- 1980 Msc, in Epidemiology, Shiraz University of Medical Sciences, Shiraz, Iran
- 2004-2008 PhD in Psychiatry Epidemiology, Umeå University, Umeå, Sweden

Academic Appointments

- 2011-present Member of National Respiratory Disease Research Network
- 1997-2001 Member, Scientific Committee, Tehran Lipid and Glucose Study, Endocrine Research Center, Tehran, IRAN
- 1997-2001 Member, Executive Committee, Tehran Lipid and Glucose Study, Endocrine Research Center, Tehran, IRAN
- 1998-1999 Project Manager of Lipid and Glucose data collection unit
- 1999-2002 Member of Steering Committee of Clinical Epidemiology. Education Development Center. SBUM. Tehran, Iran
- 1990-1997 Director of Medical Record Center. Hormozgan University of Medical Sciences. Bandar Abbas Iran.
- 2002-2003 Guest Research Consultant, Deputy of Research, Ardebil University of Medical Sciences. Ardebil, Iran.

Teaching in Workshops

- Dec 2010 Teaching How to write a research proposal. For Pulmonary Fellowship students .NRITLD
- May 2004 Introductory Research Methodology in Health Sciences. For Researchers in Smoking Cessation Clinic. NRITLD . SBUM .Tehran Iran
- Jan 2003 Introductory Research Methodology in Health Sciences. For Nursing staff of University Hospitals. SBUM.Tehran, Iran.
- Dec 2003 Problem Based Learning. For Faculty members and Social workers from Russia (city of Murmansk). Umeå University. Umeå, Sweden.
- July 2003 Introductory Research Methodology in Health Sciences. For Members of Medical Students Research Committee. SBUM. Tehran Iran.
- Jun 2003 Introductory Research Methodology in Health Sciences. For Researchers, in Dentistry Division NRITLD. Tehran, Iran.
- May 2003 Introductory Research Methodology in Health Sciences. For Nursing Staff. NRITLD. SBUM. Tehran , Iran.

Habib Emami , Msc, PhD .

- Feb 2002 Advanced Research Methodology Workshop, for Faculty members in Dental Research Center. SBUM. Tehran, Iran.
- Jan 2002 Advanced Research Methodology Workshop. Endocrine Research Center . SBUM.Tehran, Iran.
- Feb 2002 “How to Investigate an Epidemic” Workshop. For Faculty Members. Department of Education Development Center . SBUM.Tehran, Iran.
- Dec 2002 “How to Investigate an Epidemic” Workshop. For Faculty Members. Department of Education Development Center . SBUM.Tehran, Iran.
- Sep 2001 “How to Investigate an Epidemic” Workshop. For faculty members in Semnan University of Medical Sciences. Semnan Iran.
- 1995 Introductory Research Methodology .For Students of Nursing. Hormozgan University of Medical Sciences. Bandar Abbas, Iran.
- 1995 Introductory Research Methodology .For Students of Midwifery. Hormozgan University of Medical Sciences. Bandar Abbas, Iran.

Academic Activities & Teaching

- 2009 Teaching Principles of Epidemiology and its public health implications. For Health Experts. Pars Special Economic Energy Zone(PSEEZ) Asaluyeh Bushehr Iran.
- 2006-present Research Expert in Research &Development department. Pars Special Economic Energy zone(PSEEZ) in Assaluyeh Buser Province .Iran
- 2000 Teaching Principles of EPIDEMIOLOGY to Students of Nutrition. Institute of Nutrition. SBUM.Tehran, IRAN.
- 1990-1997 Teaching Principles of EPIDEMIOLOGY to medical Students. Hormozgan university of medical sciences,Bandar Abbas IRAN.
- 1990-1997 Teaching Principles of EPIDEMIOLOGY to Students of nursing .Hormozgan University of Medical Sciences, Bandar Abbas IRAN
- 1990-1997 Control of communicable diseases to students of health sciences. Hormozgan University of Medical Sciences, Bandar Abbas IRAN.

Habib Emami , Msc, PhD .

Skills competencies

Proficiency statistical analysis applications including SPSS, and Epi-Info

Advanced Knowledge of research methodology and principles of EPIDEMIOLOGY and biostatistics.

Editorial skills and competence in writing scientific articles and preparing effective presentation of research findings for meetings and conferences.

Experience in performing comprehensive review of the literature and retrieval of information from World Wide Web resources.

Very good written and oral communication skills in English.(IELT 6.5)

Granted Research projects and responsibilities

- | | |
|------|---|
| 2013 | Psychometric study and standardization of the Quality of Life family version of caregivers of cancer patients in Masih Daneshvari Hospital in 1392 |
| 2012 | Study of Adolescent Sleep disorders and Mental Health among Iranian adolescents living in Tehran (Data Analysis) |
| 2010 | Pattern of Tobacco smoking and exposure to chemical pollutants among workers in Oil, Gas and Petrochemical industries .Assessing the feasibility of establishment of in-site cessation clinic. Approved and Granted by department of Research and Development of PSEEZ. |
| 2009 | Study of Psychiatric Hardiness and Mental health among workers in Oil, Gas and Petrochemical industries (Co investigator) |
| 2008 | Psychological status of Iranian Tuberculosis patients at the time of diagnosis and after two weeks of treatment in Tuberculosis referral center of Masih Daneshvari Hospital in Tehran. NRITLD. SBUM, Tehran, Iran. (Ongoing Project) (Principle Investigator) |
| 2008 | Study of the feasibility of establishment of Hospital based cancer registry in Masih Daneshvari Hospital. NRITLD, SBUM Tehran, IRAN (Ongoing) (Principle Investigator) |
| 2007 | Age and Gender Differences in the Use of Various Poisoning Methods for Deliberate Self-Harm in Individuals Admitted to Loghman Hospital in Tehran (2000-2004) (TRC).SBUM. (Principle Investigator) |
| 2006 | Translation, Reliability and Validation of a Questionnaire on Attitudes towards Suicide (ATTS) in an Iranian Sample. University of Social Work and Rehabilitation Sciences, Tehran, Iran .(Principle Investigator). |

Habib Emami , Msc, PhD .

- 2004 Smoking pattern and Mental Health of Adolescents in Tehran. NRITLD, SBUM. Tehran, IRAN (Principle Investigator)
- 2003 Knowledge, Attitude and Practice of Smokers and Non smokers about Nutrition. NRITLD, SBUM. Tehran, IRAN (Principle Investigator)
- 2003 Study the effect of Nutrition education on Tobacco cessation and relapse rate in Tobacco cessation clinics in Tehran: A randomized clinical trial. NRITLD,SBUM. Tehran, IRAN (Principle Investigator)
- 2003 Comparison of responders and non responders in Tehran Lipid and Glucose Study (TLGS). NRITLD SBUM. Tehran, IRAN (Principle Investigator)
