EDUCATION

- Fellowship of critical care medicine of United States certified (from 2012)
- Professor of Critical Care Medicine in SBMU (from 2007)
- Fellowship of critical care medicine (FCCM) in SBMU(from 2006)

- Medical manager of NRITLD Critical Care Unit (from Jan 2010)
- First Iranian Intensivist Member of society of critical care medicine (SCCM) from 2006
- Member of fellowship educational committee of SCCM from 2007-2010
- Member of FCCS committee of SCCM from 2011
- course director and instructor of FCCS (2010)
- Member of American Thoracic Society (ATS) from 2009
- Observer ship of cardiovascular anesthesiology in Texas Heart Institute (BCM) (USA) (jan2009)
- Member of European society of intensive care medicine (ESICM) (from 2006)
- ESICM H1N1 Registry Contributors (from 2010)

Member of MCCA (Middle East Critical Care Assembly) from 2010

-National Iranian board of anesthesiology, ShaheedBeheshti Medical University (september2001- august2004)

Doctor of Medicine Diploma, ShaheedBeheshti Medical University, (September 1990 - August 1997), Tehran, Iran.

.High School Diploma from ShahidBahonar, Tehran,Iran

RESEARCH AND PUBLICATIONS

Writing, Persian translation and editing the following medical books:

1. Respirology journal reviewer (2008)
2. BMJ journal case report reviewer (2009,2010)
3. Tanaffos(NRITLD)Journal reviewer(from 2008)
4. Reviewer of 38th congress abstracts of SCCM (2009)
5. Reviewer of 39th congress abstracts of SCCM (2010)
6. Reviewer of 40th congress abstracts of SCCM (2011)
7. Translation of some chapter of Critical care medicine text book (Fink 2005)

8. Translation of SCCM/ASPEN Nutrition guideline 2009
9. Pretest and Review of Ophthalmology (publishing date : 2001)
10. Pretest and Review of Diagnostic Imaging (2000,editor)
11. Pretest and Review of Clinical Neurology (2000)
12. Pre-internship Examination (1999)
13. How to research in Medical Sciences (Proposal, Methodology & Statistics)(1999,editor)
14. Pretest & Review of Current Surgery (1998)

writing and publishing these papers & seminar posters:

- 28- "The effect of manager specialty in ICU mortality rate (po 962;13th world congress of anesthesiologists, Paris April 18-23,2004
- 29- "Renal Transplant ", Baghiatallah Journal of Training, February 1997, No. 12.

30- "Cough " , Baghiatallah Journal of Training, March 1998, No. 1.

31- "Low Back Pain " , Asnaf Journal, August 1998, No.22.

32- "Peptic Ulcer & H-Pylori " , Asnaf journal, September 1998, No.23.

Doctoral Research Thesis:

"A randomized controlled trial comparing the laryngeal mask airway &laryngeal tube in spontaneously breathing anesthetized patient in loghman hospital" ,2004.

"Research of Prevalence and kinds of Post-transplant Malignancy after Renal Transplantation (SCC, BCC of skin and Lymphoma, etc.) inTaleghani Hospital " , 1997.

WORK EXPERIENCE

1991-2001 working in my private medical office in Oshan (a village near Tehran)

1996-1997 training and doing my internship in Taleghani Hospital, Loghman Hospital, Boali Hospital, and Moddarres Hospital.

1994-1996 having been in a work-study program in Taleghani Hospital and Labafnezhad Hospital and Moddarress Hospital

1999 practicing general medical treatment in Haft Tir Hospital in Doroud, Lorestan, Iran

2000 Head of Siahrood Medical Clinic (three months)

2001 working as a medical researcher in Baghiatallah University (eleven months)

2001- 2004 working as a medical resident in Shaheedbeheshty University in operational rooms and ICU

2006-2007 Working as a Fellowship member in SBMU

2007-2011 Assist professor of anesthesiology of SBMU (MasihDaneshvari Hospital)

2008-2011 Fellowship educational responsible of SBMU

2008-2010 Mortality Committee member of NRITLD

2009-2010 Treatment committee of NRITLD

2009-2010 Board member of medical student Olympiad of SBMU

2009-2011 Pre board member of anesthesiologist department of SBMU

2011 Invited for professor walking round for poster section from SCCM

2010 Medical manager of MasihDaneshvari Hospital (NRITLD) Critical Care Units

VOLUNTEER Activities

1995 cooperating in screening of esophagus cancer in Turkaman Port, Caspian Sea, Iran, Supervised by Dr. FarrokhSaedi.

1996 Survey of the correlation between family-socio economic state & child malnutrition in north of Tehran

2006 Teaching Mechanical Ventilation, VTE& gastrointestinal problems in ICU for SBMU nurses.

2007-2008 Teaching bedside procedure to internal medicine and anesthesiology residents.

2008-2010 Teaching semiology for medical students.

CURRENT Projects

2009-2010 AKI in masihdaneshvari Critical care patients

2009-2010 prevalence of viral VAP in masihdaneshvary critical care unite

2010 prevalence of thrombocytopenia in masihdaneshvary critical care unite

2010-2011 BNP is a good prognostic factor for weaning in critical care unite

2009-2010 TISS scoring in NRITLD ICU

2009-2010 H1N1 in NRITLD

2009-2010 NUTRITION research with ASPEN

2010- Retrosternal goiter prognosis in NRITLD

2011- Delirium in NRITLD ICU

2011- Multidrug resistance VAP in Tehran critical care unites

CME Courses

2010

H1n1 in critical care unites what we do in next pandemic?

Telemedicine, a new paradigm

Critical care morbidities mediastinal mass in critical care unites

Advance ventilation modes in PICU Massive blood transfusion

Indications of Portable mechanical ventilation

H1n1, what is the role of anesthetist in crisis?

2009

AKI , what is the role of Anesthetist?

VAP workshop, Telemedicine Cardiothoracic critical care problem and new protocols, in 4th international congress of NRITLD & ERS TEHAN

Critical care asthmatic patient, what is the role of inhaled anesthetic in the ICU.

Massive blood transfusion

Nutritional support in critical care unit

Hemodynamic monitoring in critical care unit (secretary)

2008

Advance mode in mechanical ventilation (secretary) APRV in ARDS management

Aspiration pneumonia & ARDS in pregnant women

PDT , A bedside procedure we like it but some surgeon hate it!

2005-2007

Adjuvant therapy in pain management

VAP prophylaxis

Gram positive staphylococcus treatment in critical care (linezolid versus teicoplanin)

LMA & COBRA , comparison in ophthalmology anesthesia

LMA & LT , comparison in spontaneous anesthetize patients

VAP treatment protocol based on ATS /IDSA

Pulmonary HTN in Critical care based on WHO classification

Conferences

2011

40th SCCM congress in San Diego

2010

39th SCCM congress in Miami ERS 2010 BARCELONA Pulmonary HTN
Dubai

2009

Antifungal drugs Dubai

Ultrasound guided nerve block Dubai

38th SCCM congress in Nashville

2005-2008

Asthma day seminar anniversary

3th NRITLD & ERS International congress

4th Iranian Neurology congress

New treatment drugs & protocols in asthma

Harvard University program (MGH) for NRITLD Physicians by Dr Taylor
Thompson and his group

NIPPV workshop

PDT workshop

64MSCT .CT angiography seminars

HAP /HCAP treatment

Sleep disorder seminar

Pulmonary rehabilitation seminar

World Congress of Anesthesiologist 2005Paris
